Acrylic Awards

## Acrylic Awards

All prices include award with base and engraving. Every order also requires a **\$15** setup fee.

Logos cost an additional fee of **\$20**, but this will be waived for repeat orders that use the same logo. Images supplied for logos must be high quality and monochrome. Additional costs will apply if an image needs to be edited for use.

Engraving on clear acrylic awards appears white, and shows through the back of the award, as pictured above. Engraving space varies with each style – the grey area in each catalogue image shows the area that can be engraved in.

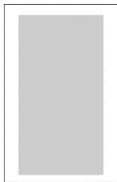

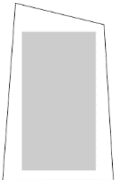

Sizes listed with each award are the height when attached to a base – the bases are not shown in the diagrams.

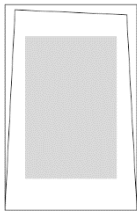

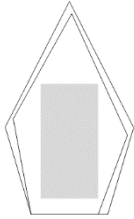

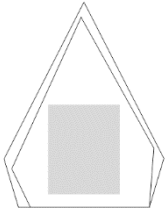

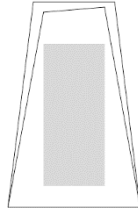

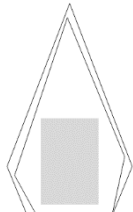

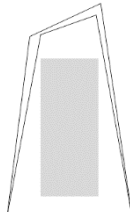

For an additional cost, an engraved plate can be attached to the base of the award.

Orders may take between 5 to 10 business days depending on stock availability. Nearing the end of school years and sport seasons, orders will take longer to complete. An estimated time for completion will be given with order confirmation.
